

Tribase is a live dub / live electro act.

We are:

Kungfu Ras (Vocals/MC)

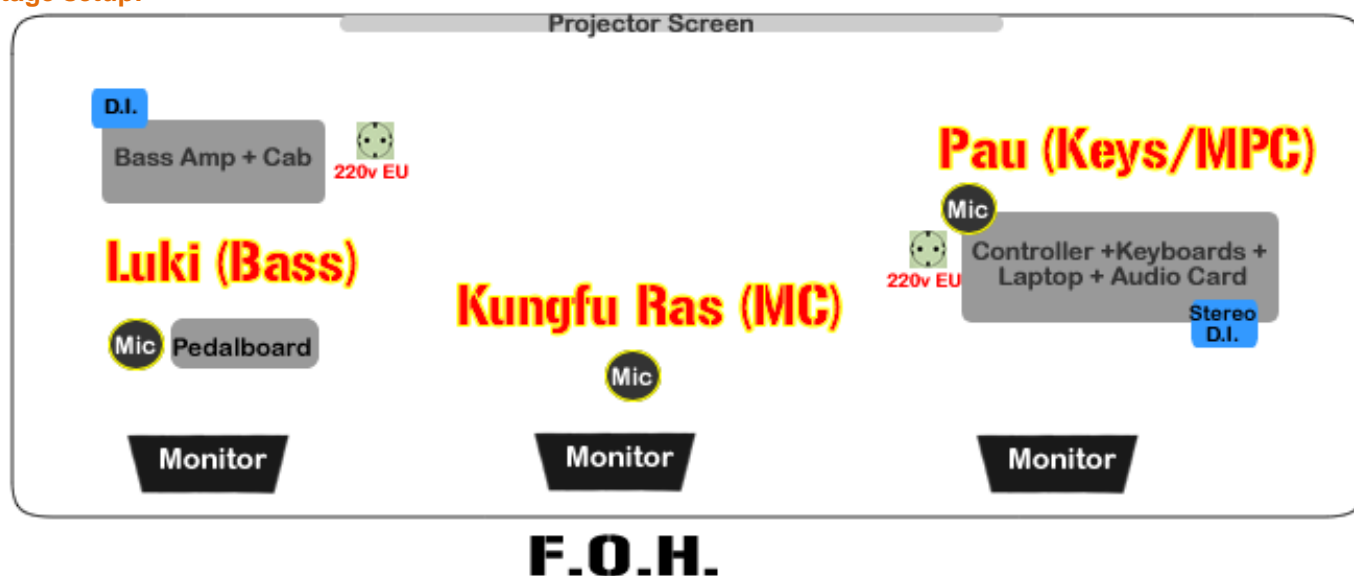

Luki (Bass & FX)

Pau (Keyboards & Ableton)

Setup + Soundcheck: 15 minutes

During the show: Please provide 3 bottles of water and ensure the stage meets the minimum safety requirements.

Stage setup:

Equipment we need from you:

Kungfu Ras:

- 1 microphone (Shure SM58 or similar) with stand

Luki:

- XLR cable to FOH (signal is sent via balanced out of a Little Mark II bass amp)
- 1 microphone (for backing vocals - with on/off switch) with stand
- 1 EU 220V Plug
- Not mandatory, but desired: 1 Bass Cabinet (min.300W RMS), 1 guitar/bass stand

Pau:

- 1 table for keyboard and laptop devices. Minimum size: 60x80x80 cm (LxWxH)
- 1 stereo D.I. box (or 2 mono D.I. inputs)
- 1 microphone (for backing vocals - with on/off switch) with stand
- 1 EU 220V Plug

1 x FOH Desk with min. 6 Input channels

3 x Stage monitor (or Side Fill monitors)

1 x Professional Sound System in good condition, with enough power for the venue and enforced low end

1 x Experienced Sound Technician who's present throughout the concert

Not mandatory, but desired: 1 x projector and screen for visuals

Notes:

If you cannot provide all the required equipment, please speak to us.
